Manager- Mktg.
Bil Energy Systems Limited
Mumbai-64

Dear Mr. Akhand,

Sub: Regarding assembled core for locomotive transformers.

We are pleased to inform you that we have procured more than 20 locomotive transformers in core assembled form from Bil Energy Systems from last 2 years.

We measured results of assembled core and found satisfactory with our requirement and also we observed its advantages as:

1. Low humming
2. Time saving in manufacturing cycle of transformers

We would look forward for similar support from M/s Bil Energy Systems in future jobs as well.

With Best Regards

For Hind Rectifiers Limited
